

As a business customer of **Portland General Electric**, you have the opportunity to choose an alternative Electricity Service Supplier (ESS). In order to supply state-certified and PGE-approved ESS' with your historical usage information, we need your permission.

Please fill out this form and mail it back to us at:

Attn: Customer Historical Use Authorization  
Portland General Electric  
PO Box 4404  
Portland, OR 97208-9580

Thank you. For more information, please call 1-800-822-1077.

Portland General Electric

Note: This is not an indication or notice that you are intending to choose an ESS, only that PGE has your permission to release your historical information.

## Portland General Electric Direct Access Historical Usage Release Form

By filling out the form below, I give authorization to Portland General Electric to release my last 12 months of historical usage only (summary or interval, as available), for each of the accounts listed, to any Electrical Service Supplier that requests this information. This release will continue until explicitly revoked by me.
